# Youththrive+Work

A Program of Southern Maryland Community Network

## ELIGIBILITY

Youththrive+work is a program for youth aged 16-24 who are not in work and not attending school and who are interested in learning skills that will help them improve their employability. The program involves individual and group activities to learn the skills employers value, getting connected to supportive services, internships and help in the job search. Most applicants will be served for a 6 month period. Client may be self referred or referred by an agency.
